AGILITY TECHNOLOGIES

CAPABILITIES STATEMENT

Agility Technologies Inc. ("Agility") is a leading System Integrator for the Federal Government delivering Next Generation customer experience design and business process automation in the Cloud using low-code/no-code technologies.
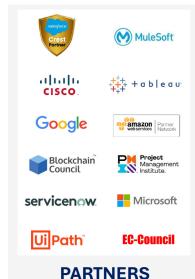

We are an **SBA-certified 8(a)** small, disadvantaged minority-owned business focused on **IT modernization for Federal agencies** using cloud platforms like Salesforce, MuleSoft, ServiceNow, AWS, Azure, Tableau and UiPath. Our **100% certified** consultants have hands-on expertise in architecture, integration, business process re-engineering, development, data migration, testing, CI/CD, DevSecOps and security. **We get IT done**.
